Subject: RE: Temasek in our Weekly Newsletter - invitation to respond

Dear Ms Archer

We would like to thank you for your message of 13 August 2020 in which you invited us to provide a response to an article published on migrant-rights.org highlighting grievances relating to the operations of one of the subsidiaries of one of our portfolio companies' in Qatar.

Companies in Temasek's portfolio are guided and managed by their respective boards and management. Temasek does not direct their business decisions or operations.

Nevertheless, we have conveyed the concerns to the leadership of our portfolio company, and they have advised they will be in touch with you directly on their response.

We appreciate your organisation's contribution to SDG 8 in promoting employment and decent work for all.
