

Response from Green Group Holdings, LLC

24 May 2021

From: David Green – Green Group Holdings, LLC

Business & Human Rights Resource Centre invited Green Group Holdings, LLC to respond to the inclusion of a lawsuit the company previously filed in an analysis of cases that bear the hallmarks of strategic lawsuits against public participation.

- “SLAPPed but not silenced: Defending human rights in the face of legal risks,” Business & Human Rights Resource Centre, June 2021

Green Group Holdings, LLC sent the following statement:

“As reflected in the [Joint Statement](#) included in the Settlement Agreement, we respect first amendment free speech rights. We also believe the science and monitoring data support the actual facts related to our site; not the emotionally charged hyperbole contained in some of the defendants’ statements.” David Green
