

“UNIQLO (Fast Retailing)’s Response”, 16 March 2022

We would like to make it very clear that UNIQLO has no business or relationship with Violet Apparel, and we have no direct authority or influence with it.

However, Fast Retailing works with the Ramatex Group. In support of remediation efforts, we have made contact with the group and requested that this matter is handled promptly and in full accordance with the laws of Cambodia, and well communicated with the external parties.
