Dear Business & Human Rights Resource Centre,

Thank you for your invitation to respond to the Fair Finance International report: “No questions asked: Profiting from the construction and hotel boom in Qatar” published on 6 November 2022.

NatWest Group were not engaged by Fair Finance International in the lead up to the publishing of the report.

To help us assess Environmental, Social and Ethical (ESE) risks we have an ESE risk framework comprising policies and processes to give us better insight into our customers’ activities and address issues of concern. Our policies reflect applicable national and international laws and confirm that we expect our customers to adhere to local and international environmental, social, and human rights standards. More on our ESE framework can be found at natwestgroup.com.

Kind Regards,
