

Thank you again for sharing this questionnaire with us. While we are unable to comment on specific clients or transactions, all of our client relationships are guided by our Position Statements on Environmental and Social Risk ([please see here](#)). Our dedicated Human Rights Position Statement is [available here](#) on our website and provides further details on our approach.

Any project that we support must meet the requirements of the IFC Performance Standards and be developed in accordance with the Equator Principles.

Kind regards,

Jennifer
