Dear Madame Rebecca Miano, CEO of the Kenya Electricity Generating Company PLC (KenGen),

This is a formal request to the Kenya Electricity Generating Company on behalf of the El-Molo community of Loiyangalani, Marsabit county.

Under the Kenyan Constitution, act 35 of the 2016 Access to Information Act, which states:

(1) Every citizen has the right of access to:

a) Information held by state and (b) information held by another person and required for the exercise or protection of any right or fundamental freedom.

We thereby practise our right to access specific information regarding KenGen's Marsabit Wind Energy Project, set for construction on our El-Molo community land.

Under the above act, and according to KenGen's transparency policy, we request the disclosure of the following:

1. The results of the September 2021 Environmental and Social Impact Assessment study conducted in Loiyangalani on El-Molo land.
2. Disclose the international investments and stakeholders involved.
3. Dates of estimated construction.
4. Formal due-diligence report, to include details around the projects community engagement conducted with the El-Molo people.

This information is needed within the legal deadline of 21 days.

We either request this in written form, or kindly request a meeting in KenGen's Nairobi office, or a KenGen representative visits our community directly and listens to the communities' concerns.

Signature of the applicant(s)

Christiana Luwa and Paul Lekapana

Mandated El-Molo Community Representatives
