**Regarding the invitation to respond**

Thank you for providing us the opportunity to respond. Atlas Copco has no operations in Western Sahara. The mining equipment business is now part of a separate publicly traded company, Epiroc AB. Epiroc AB was listed on Nasdaq Stockholm in June 2018 and Atlas Copco holds no shares in the company. There is no service performed by Atlas Copco personnel in Western Sahara.

Kind regards,

Håkan Osvald  
Senior Vice President, General Counsel, ATLAS COPCO AB
