Invitation to respond to briefing mentioning Cerrejon Coal

Dear Ms Zbona,

Thank you for giving us the opportunity to respond to comments made in your forthcoming briefing about the Cerrejon Coal operation. As you mention, the operation is an independently-managed joint venture, owned by Anglo American, BHP and Glencore.

As an independently-managed joint venture, Cerrejon has provided a detailed response to the specific allegations raised in the briefing, detailing its approach to human rights due diligence.

Glencore is committed to upholding respect for human rights, as detailed in our Code of Conduct and Human Rights policy. We do not tolerate any form of harassment, and condemn threats to human rights defenders. We detail our approach in our Human Rights report, available on our website.

We look forward to continued dialogue with the Business & Human Rights Resource Centre.
