Comment to Business & Human Rights Resource Centre by Takeda re alleged advocacy campaign by Innovative Pharmaceutical Association of South Africa (IPASA) to oppose South Africa's efforts to introduce intellectual property reforms aimed at increasing access to essential medicine:

"As a member of IPASA, and in alignment with IPASA's position, Takeda remains firmly committed to collaborating with the South African Government to improve access to medicines and thereby the health to the nation.

For more information on this topic, please contact IPASA."
