Business & Human Rights Resource Center

Regarding the inaccurate article to Henan Rebecca Hair Products, Inc. which was reported by Mr. Jamil Anderlini, the reporter of South China Morning Post on Aug. 17, 2005, we have replied to the concerned person. Considering that the report have deviated from the real fact very seriously and brought a great negative influence to our company, in order to defend our legal rights, we sincerely invite Human Rights Resource Organization as the third part to investigate independently to our company and the local jail firm so as to recover pure reputation of Henan Rebecca Hair Products, Inc. and show the actual truth to the public.
